

22643 Longbrook Drive, Geneseo, Illinois

Great retreat from modern day life. This wonderful property is just what the nature lover ordered. The home can be enjoyed from the inside fireplace to the formal dining room to the kitchen that overlooks the backyard inground pool. Plenty of room to expand with six bedrooms. Home has reverse osmosis system and has been converted to full LED lighting in house and barns for energy savings. The two porches lend themselves to relaxing and enjoying the beautiful timber area loaded with birds and deer. There is plenty of space to have picnics and large family and friend gatherings. Horse lovers will appreciate the 6-stall stable, fenced pastures and three other outbuildings. There is even tillable ground for growing crops or hay for your animals. This is a bit of a paradise just two miles from Victorian Geneseo.
